### INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

### History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

### Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Name John C. Massom and 3 children. Action: Rejected  
Residence: Walling, Va.  
Reasons: Applicant nor ancestors were never  
enrolled. Does not appear that they were living  
within the Cherokee Domain in 1835-67/1846 as  
recognized members of the tribe. It does appear  
that they never lived with the tribe and always  
lived with the white people

Reasons:

Claimant was born near Knoxville, Tenn. in 1840 and was not enrolled in 1851. Sallie Davis, the mother of claimant and through whom he claims Cherokee ancestry, was born near Wilmer, Ga., far removed from the Cherokee domain. She was not enrolled in 1835 nor in 1851 - nor was her father Redding Davis enrolled at these times. No evidence to show that Sallie Davis Redding Davis, or the claimant himself ever lived with the tribe - or was recognized as being a member of the Eastern Cherokee tribe of Indians. Claimant notified to appear at Lawton, Okla. for examination, but failed to appear. -

James Lawrence being first duly sworn, deposes and says:--

My name is James Lawrence. I was born in 1888 in Vallermosto Springs, Ala. I claim through my father and his mother, and her father. My great grandfather through whom I claim my Indian blood was named Daniel Rice. I could not say where he came from. ~~xxx~~ I could not say that he was Cherokee, but that is what the witnesses said. My great grandfather was recognized as a white man, lived with the white people but had Indian blood. None of my ancestors ever got any money from the Government on account of their Indian blood. I think my grandmother on my father's side always lived in Ala. I never heard of any of the people through whom I claim Indian blood being enrolled with the Cherokees.

No. 21807

John A. Hensley, after being first duly sworn, deposes  
and says:

I am 32 years of age; was born in Missouri. I claim Indian blood through my father. He was born in North Carolina or Tennessee. My father came to Missouri about 35 years ago. I do not know what part of Tennessee my father was from. He was a voter and passed as a white man. He was one-eighth Indian. I have heard of my Indian blood ever since I can remember. My grandfather was the Indian. I saw him when I was very small. He moved to Missouri from North Carolina or Tennessee. My father never got any Indian money from the government. I do not know whether my grandfather did or not. I did not try for an allotment.

I am herewith handing you Supplemental application for minor children of Geo' C. Young, please acknowledge receipt.

About the first of April I filed an application for one, Liza. Taylor, she has never received an acknowledgement of its receipt, will you please send me the usual card of notification?

Can a mother or Father make an application for a child, a minor, who is married, or must the child sign the application herself?

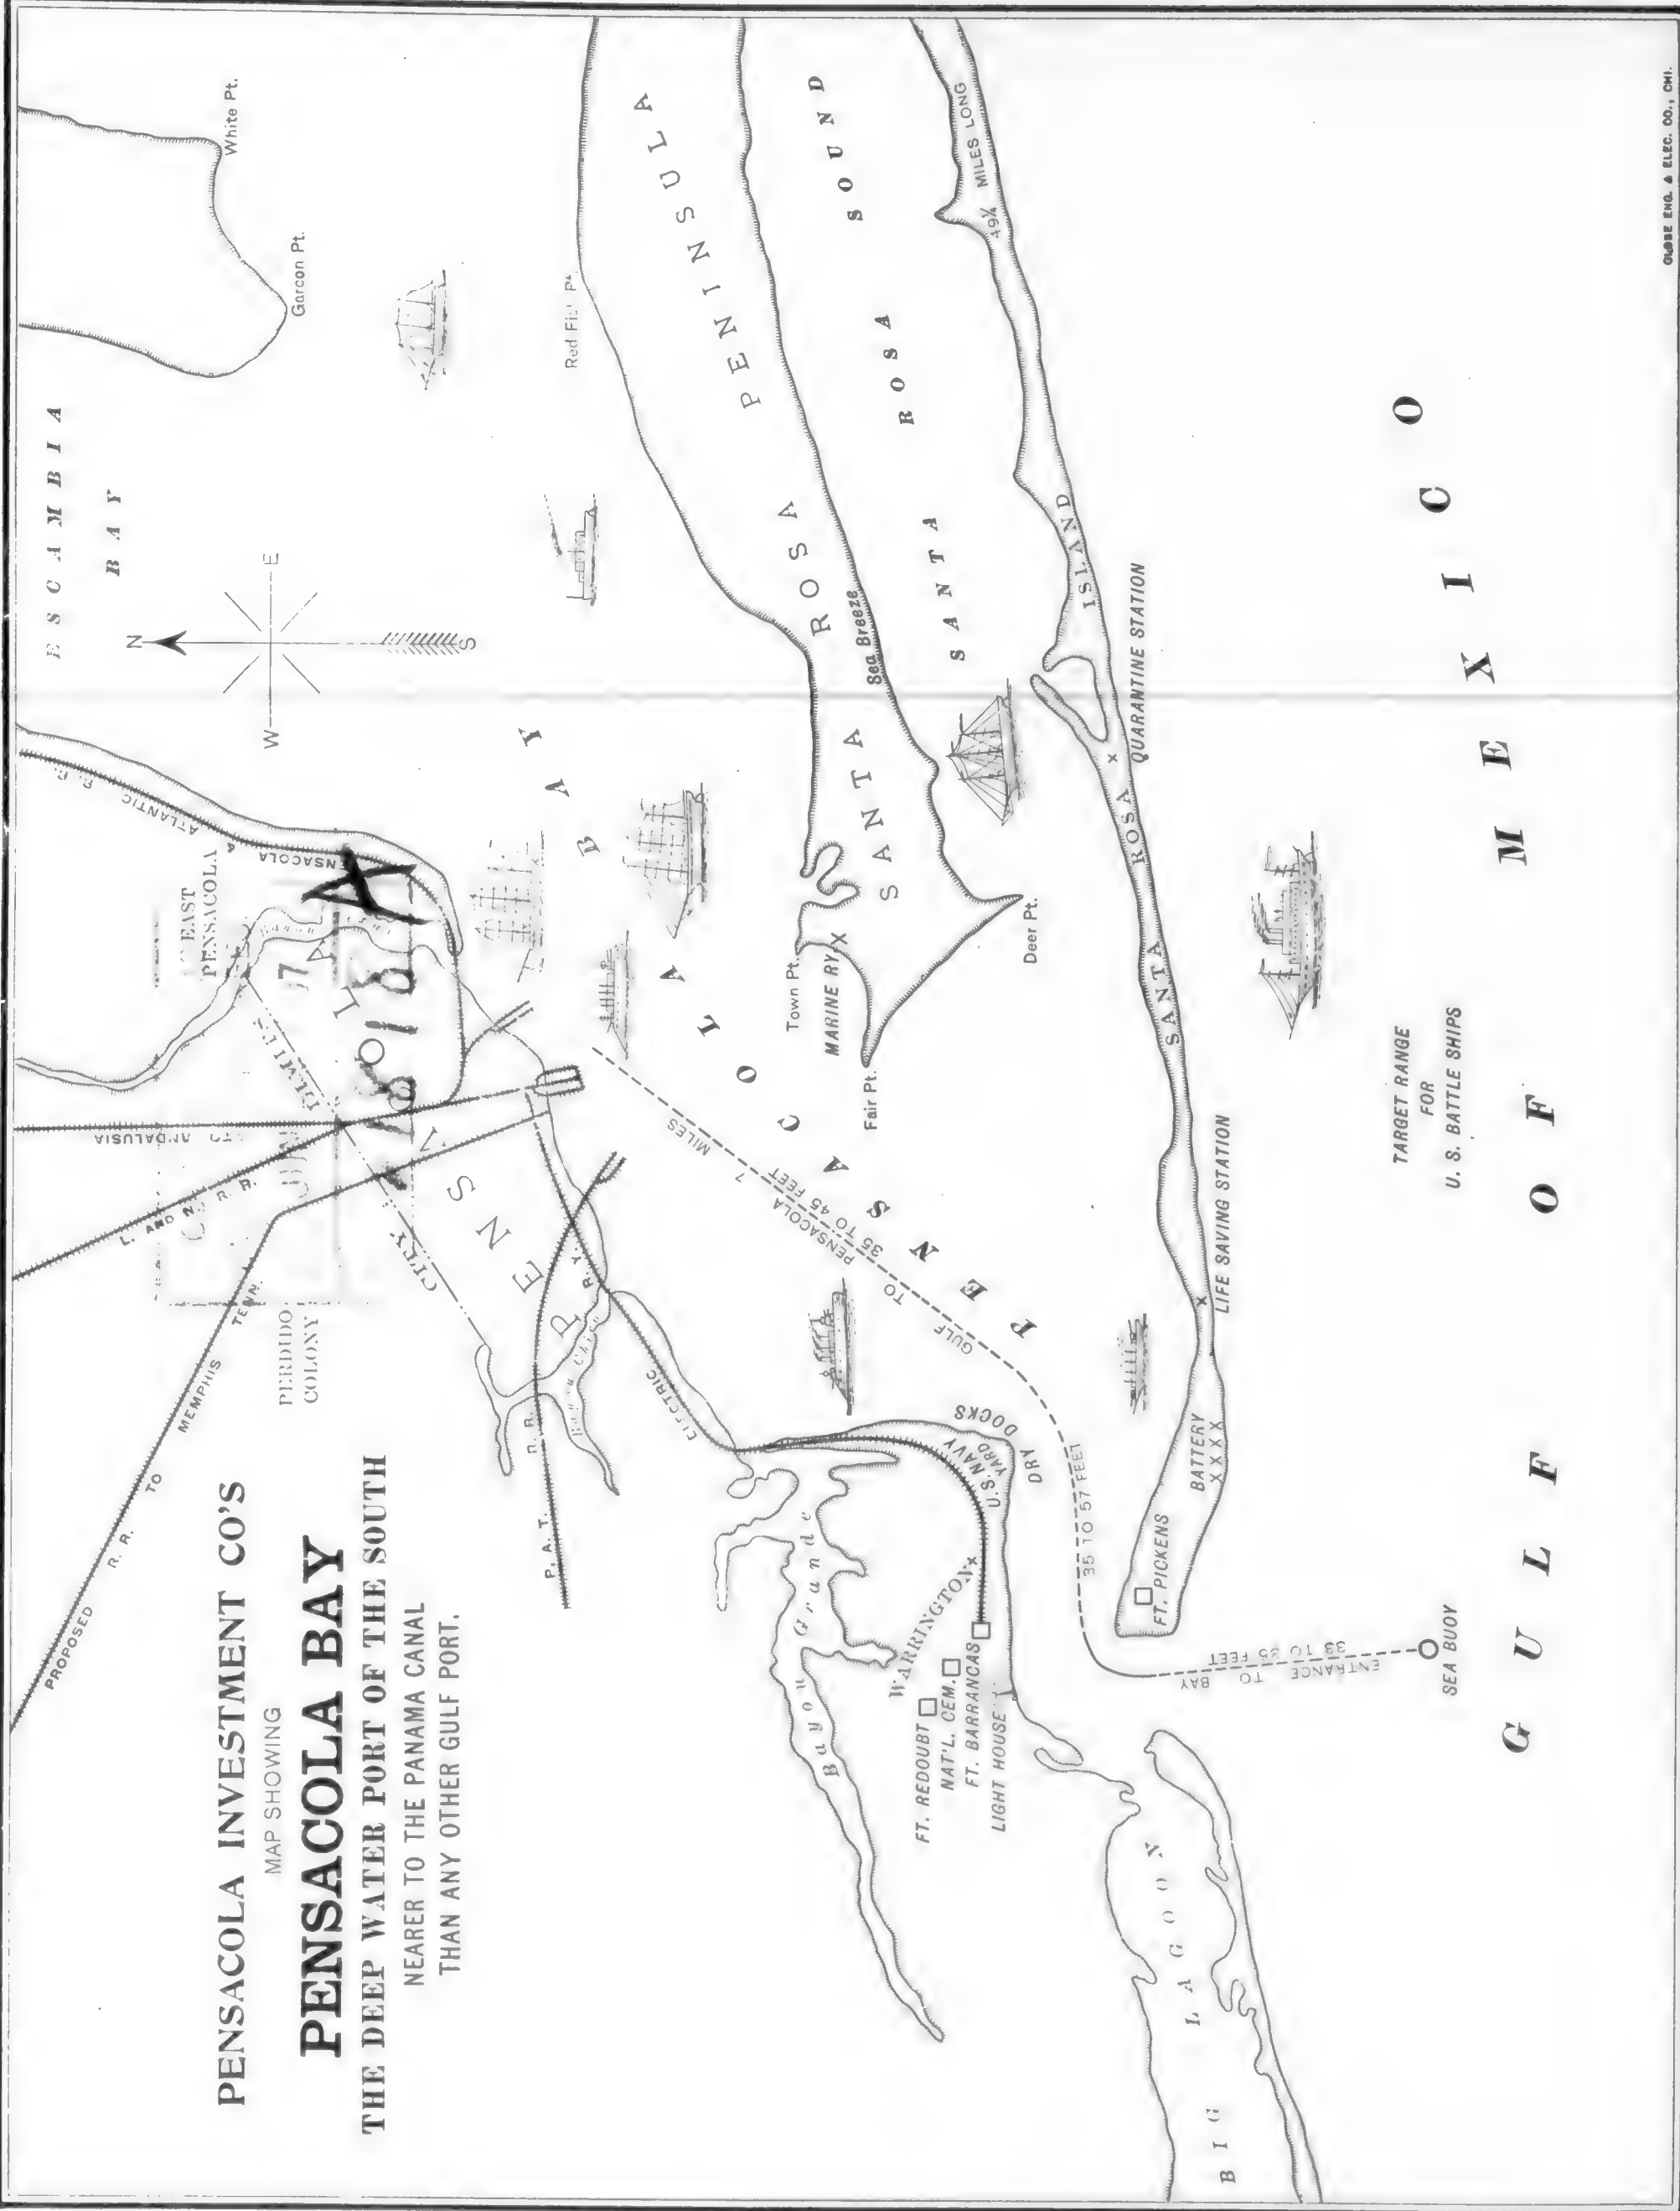

Yours very truly

In the matter of the claim of  
Elijah Orlando Sloan et al for  
participation in fund appropriated by  
Congress June 30, 1906, to Eastern  
and Emigrant Cherokee Indians and  
their descendants.

On this 30th day of July A. D. 1906, personally  
appeared before me, Orville E. Gorman, a Notary Public and  
for the aforesaid County, duly authorized to administer oaths,  
Russell Stokes, aged 86 years, a resident of Springfield, Greene  
County, Missouri, whose post office address is #2130 Taylor Street  
in Springfield, Greene County, Missouri, well known to be reputable  
and entitled to credit, and who, being duly sworn declared in relat-  
tion to aforesaid case as follows:

I was well acquainted with Alexander Brown during his  
life time, from and after the time he came to Polk County, Missouri,  
which was about the year of 1835 or 1836, until his death, which  
occured about the year of 1837 or 1838. Said Alexander Brown located  
and settled near what is now known as Brighton, Polk County, Missouri,  
and lived there continuously from the time he came to Missouri until  
his death. His remains were buried near Brighton, Missouri, at  
what is now known as the Brock Grave Yard. During the time above  
mentioned, the said Alexander Brown and I lived in the same settle-  
ment as neighbors. We saw each other and were together quite often.  
We fished together and had many conversations together and became  
intimately acquainted.

The said Alexander Brown told me that he was a Cherokee  
Indian--my recollection is that he said he was half blood Cherokee  
Indian and that he came to Missouri from Tennessee. He was recog-  
nized and reputed by all who knew him to be a Cherokee Indian. He  
told me that he had his papers showing his Indian Rights, and that  
his name was on the roll of Cherokee Indians. The said Alexander  
Brown has always claimed to be a half blood Indian, and all his child-  
ren claimed to be part Indian and were recognized and reputed to be  
such by all who knew them.

Alexander Brown aforesaid was a very tall broad shouldered  
man, rather slim with dark hair and eyes and was of dark complexion.

I have no interest in said case and am not concerned in  
its prosecution.

Said Alexander Brown had the following named children:  
Sally (Brown) Hamblen, Dicie (Brown) Pender, Isaac Brown, Violet (Brown)  
Luth, John Brown, Elizabeth (Brown) Luth, Thomas Brown, Susan (Brown)  
Proctor, Ach. Brown, and Annis (Brown) Pace. Said Sally (Brown) Hamblen  
married Elijah Hamblen. Mary Jane Hamblen generally known, generally  
known as Jane Hamblen, married Dr. A. B. Sloan, the daughter of  
said S. Sally (Brown) Hamblen. Said Mary Jane Sloan was the mother  
of several children I do not know their names. I know personally all of

In the matter of the claim of

On this 30th day of July A. D. 1906, personally appear-  
ed before me, Orville E. Gorman, a Notary Public in and for the afore-  
said County, duly authorized to administer oaths, James Harralson,  
aged 80 years, a resident of Webb City, Jasper County, Missouri, well  
known to be reputable and entitled to credit, and who, being by me  
duly sworn on his oath, declared and saith in relation to said case  
as follows:

I was well acquainted with Alexander Brown in his life time.  
He came from McMinn or Monroe County, Tennessee, and located and settled  
near what is now known as Brighton, Polk County, Missouri on or about  
the year of 1836 or 1837. He came to said Polk County two or three  
years before his death. Alexander Brown when I first knew him lived  
in Tennessee. I have heard that he came to Tennessee from Georgia.  
He lived about a mile from where my father lived in Tennessee. I knew  
said Alexander Brown from the time I was old enough to remember any  
one until his death. He visited my father and my father visited him  
quite often. His family and my father's family visited back and forth  
quite often. His children and my father's children visited back and  
forth and played together, and the two families were intimately acquaint-  
ed with each other. I have a very clear and distinct recollection of  
hearing the said Alexander Brown say that he was registered or had his  
name on the roll of Cherokee Indians, prior to his leaving Tennessee,  
and I have heard him say this both before he left Tennessee and after  
he came to Missouri. I came to Missouri soon after Alexander Brown  
left Tennessee, and I saw him and was intimately acquainted with him  
both in Missouri and in Tennessee. Alexander Brown was a tall broad  
shouldered man, rather slim, high cheek bones, dark complexion with  
black hair and eyes. He said his children were generally known and  
recognized and reputed as part Cherokee Indian. I have heard Alexander  
Brown and also his children say that he was a half blood Cherokee  
Indian and they always claimed to be of Indian blood.  
Said Alexander Brown's remains were buried at the Brock Grave Yard near  
Brighton, Polk County, Missouri. It was the general talk among the  
children and neighbors of Alexander Brown that he was a half blood  
Cherokee Indian and that his name was on the roll of Cherokee Indians.  
I recollect that he was called by the Indian nick name of "Swanee"  
When he left Tennessee and came West he was accompanied by a number of  
families.

I have no interest in said case and am not concerned in its  
prosecution.

Said Alexander Brown was the father of the following named  
children: Thomas Brown, Isom Brown, John Brown, Zach Brown, Sarah  
(Brown) Hamblen, who was also called "Sally," Dicie (Brown) Fender,  
Elizabeth (Brown) Luth, Susan (Brown) Proctor, Annis (Brown) Pace and Violet  
(Brown) Ruth. Said Sally (Brown) Hamblen married Elijah W. Hamblen, formerly of Tennessee,  
generally known as Elijah W. Hamblen, married M. O. Sloan and is the daughter of said Sally  
(Brown) Hamblen. Said Mary Sloan was the mother of several children. I do not  
know their names. I personally know all of the married parties  
mentioned to be genuine

1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific requirements of the task.

1. The first of these is the  
fact that the actual number  
of people who are actually  
in the country is not  
known. The only way to  
know this is by a  
census. The last census  
was taken in 1901 and  
the population was  
about 10 million. Since  
then the population has  
increased to about 15  
million. This is a  
very large increase and  
it is very difficult to  
know exactly how many  
people are in the country  
at any one time.

I do not know of ever hearing her say to what tribe of Indians father belonged. My mother was never a slave. Father's father was not a slave, neither was my father. I do not know where that ancestor my father claimed his Indian blood. Father never received any money to my knowledge. Father nor my father I have ever been enrolled. Appl. No. 21853

EAST CHATTANOOGA, TENN.

April 2, 1908.

Hon. Union Miller Special Comm'r  
Washington D.C.

Dear Sir - Replying to your favor of March 23  
my grandfather Marion Fribblett was pure blood  
Indian, so my mother says, and I thought  
he was enrolled as a member of his tribe  
but am not certain of this. My grandmother  
was a slave woman, as was my  
own mother. My father was also a slave.  
My mother was Marion Fribblett's daughter  
but I think she was never enrolled as  
she was a slave & had no knowledge  
of such affairs. I myself was born  
a slave and am now fifty three  
years old.

Very Respectfully,  
Clara X Pyron  
mark.

P.S. This woman is certainly of Indian stock  
many claimants have come to my office, but  
never one that showed as many Indian  
features as this woman. Very Truly,

Clara Pyron,

Madam:-

Your letter of November 19, 1907, relative to the applications filed by the late L. B. Jones, is at hand. In reply you are advised that the claims on file will be taken up and carefully examined, and claimants will be enrolled if they are found to be entitled.

The duty of the Commissioner is to obtain all the facts, and this investigation will be made regardless of whether the claimant is represented by an attorney.

If the claim is particularly complicated a local attorney might be of service to the Commissioner, but is in no case required by this office.

The compensation of 40% mentioned in your letter would certainly be extortionate.

Very respectfully,

Special Commissioner.

San Francisco, Cal. Apr 12 1908

Sir,

Father was first I saw him  
in the morning at San Francisco  
and I met him again at the  
Hotel. I saw him at the  
Hotel and he was touched to go to  
the steam station as the train  
was leaving but had Indian boys  
with him. Jack Rogers is a relation  
to my father White Shakes. Moved  
to the San Francisco station and  
he tried to get the father  
to go with him and told me that  
he was a share a part of the  
Indian lands. I saw him  
later on the morning that  
father and Clara were at  
the station. Jack Rogers is a  
relation to the father.  
Yours truly,

[ NOTE: Affiants should state how they gain a knowledge of the facts to which they testify. ]

I am 63 years of age and live in Erath County, Texas. Solomon E. Blair the claimant mentioned above is my brother. I often heard my mother say during her life time that she was related to the Eastern Cherokee Indians, but I do not remember hearing her say what the relationship was. I have often heard my brother, John H. Blair, of Anson, Texas, say that mother told him she was one-fourth Cherokee Indian. He is older than myself and seems to have a better recollection on some matters pertaining to the family history than myself. My mother died in 1879, and before her death our family lived for many years about twenty miles South of Meridian, in Bosque County, Texas. I can remember that it was often remarked among our most eminent friends and neighbors in that community that mother had Indian blood in her. I can remember also that mother had several of the Indian features, that is, she was dark complexioned, black rather coarse hair, high cheek bones and erect position.

I have no recollection of ever hearing mother say whether or not she had been enrolled as a member of the Cherokee tribe.

The matters about which I have testified herein are of common knowledge in our family and have often been discussed by all the members of the family.

My mother's name was Sarah Blair, (nee. Sarah Hewett) and I have understood that she was born on the line of Arkansas and Indian Territory about the year 1811. But on this point my memory is not at all clear.

and he further declare that he has no interest in said case, and is not concerned in its prosecution.

Dear Sir:- In claim of Addie Davis  
Eastern Cherokee enrollment application  
No 2/ 883- <sup>regard to</sup> Mrs Davis has asked me to  
write and state that she has several  
additional witnesses whose testimony  
she is ready to file at any time- I  
do not know procedure in your court- but  
suppose what testimony Mrs Davis  
has on file is not sufficient to  
give her a share in the distribution  
but would be sufficient supplemented  
with the additional testimony- Would  
she have an opportunity to file  
the additional testimony? I  
infer from your letter that  
this additional testimony cannot be  
filed now.

I don't think he was ever enrolled -

March 31st

Mr. Gideon Miller,  
Special Commissioner  
Washington D.C.

Sir: Your letter of March 24. at hand.  
In reply to your first question I would  
say - My Grandfather was an Indian  
and may be enrolled, but by what  
name I do not know. He was of the  
Cherokee tribe. My Father was born near  
Augusta, Ga. and named by the Negroes.  
He went by the name of Oliver Nigons  
until he was ten years. The Indians  
tried to persuade him to go with them  
said he belonged to their tribe - even  
threatened to steal him. Mr. Nigons,  
fearing they would sell him to the  
Lowdeys of Ala. After that he went by  
the name of Oliver Lowdey.

My Father and Mother were slaves.  
Father had long straight black hair  
with high cheek-bones; was often told  
he looked like an Indian.

Respectfully

Mr. Guion Miller, Special Commissioner,

Dear Sir:

On June 10th you issued a circular letter to those having applications for participation in the fund arising from the judgment of the ~~Post~~<sup>Court</sup> claims of May 28, 1906 in favor of the eastern Cherokees, which had been rejected, and among the number thus rejected was that of Harriet Gowdy, #21888. She is a very poor, ignorant woman, and at the instance of members of my family I have been induced to examine your communications with her. I should be pleased to be advised, and would thank you very much for the information, as to the ground on which you reported that her application should be rejected. There is in my mind no doubt of her <sup>rights of</sup> participation in this fund, but ignorant as she is, I am very doubtful as to whether or not she will be able to make the necessary proof. If I understood the matter properly I might be able to give her some advice along the line of the necessary proof and the proper method of placing the same before the Court. The attorney who filed her application is dead. In fact, I do not think he ever gave the matter very much attention.

If you feel inclined to do an ignorant but deserving person a favor by replying to this letter, I will be duly appreciative of your courtesy.

Very truly yours,

E. Watkins

Sir:-

You have on file in this office application No.1013, in which you claim to be entitled to share in the Eastern Cherokee Enrollment fund, through your father, Jim Gallimore, and grand-father, Jim Gallimore, whom you claim are full-blooded Cherokee Indians. Neither your name, nor the names of your father or grandfather appear on the rolls of 1835 and 1851. If you can furnish the Indian name of your grand-father, also the Indian name of your father, if they had Indian names, and any Indian names on your maternal grand-mother's side, it would greatly aid this office. Also state fully to what tribe of Indians your grand-father, Jim Gallimore, belonged.

An early answer will be greatly appreciated,

Respectfully,

Special Commissioner.

Reubin Scott, being duly sworn and examined,  
deposes and says:

Reubin Scott is my name. I live in Chat-  
tanooga, Tenn. I have been living here five years. I lived  
in Charleston, Tenn., Bradley County. I was born in  
Meigs County, Tenn. I moved to Bradley county when five  
years old. I am sixty-three years old. My father was a  
slave. ~~My father was his last owner.~~ My father's  
name was Nathan Bates. He was owned by John Bates. My  
father lived in Bradley County. I claim my Indian blood  
through my mother. She belonged to the Cherokees. My  
mother told me that she was a Cherokee. My mother never  
enrolled as she married a slave and remained in this coun-  
try. My mother's brother, Andy Scott and brother-in-law  
John Chairhead, went to Indian Territory, at the time of  
the emigration. My grandfather was Abraham Scott, on  
my mother's side. My father's owners being four, my  
mother's name changed. My mother said my grandfather died  
in McMinn County, Tennessee, about one year before the  
emigration. I take my mother's name of Scott instead of  
my father's. I never heard of my grandfather being en-  
rolled.

before me Joseph Wood. who being  
duly sworn by me, a Notary Public, within and  
for the County and State aforesaid, and made  
the following statement to wit: That he don't know  
why he was not enrolled except that he had no  
notice of any such enrollments being made, had  
no opportunity to enroll his name as an Eastern  
Cherokee indian, that if he had been notified, he  
surely would have enrolled his name as such  
indian; That he claims his indian blood from his  
~~mother~~ father, and he was  $\frac{1}{2}$  blood, and his mother  
er, Claimant's grand mother, was a full blood  
Cherokee. That his ~~mother~~ father's name was Alfred  
Wood, and that his grand mother on his father's  
side was free born and so was his father. That some  
of his ancestors on his mother's side may have  
been slaves, but Claimant didn't get any indian  
blood from that side. That Claimant was never  
a slave, of either white people or indians, Claimant's  
information on this question was derived  
from his father and he always claimed to be  
a  $\frac{1}{2}$  blood Cherokee. Claimant therefore demands  
a full fair and square investigation of  
his case.

Sir:

The application which you have filed for participation in the Western Freedmen Fund contains practically no information concerning your ancestry. Unless, therefore, you are furnished with additional information your claim cannot be further considered. The additional information is:

1. The names of your grand parents on both sides?
2. Were any of your ancestors slaves?
3. Were you, your parents and your grand parents, ever enrolled?

State clearly all your reasons for thinking that you are entitled to share in this fund.

Answers will be appreciated.

Very respectfully,

Special Commissioner,

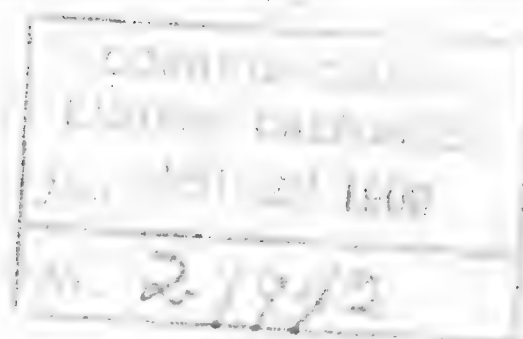

Chief Clerk.
